PETITION FOR ACCEPTANCE OF APPLICATION AS COMPLETE

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition for acceptance of the above application as having been complete as of its filing date of October 9, 2003.

In the Notice to File Missing Parts, mailed January 15, 2004, a copy of which is attached, it is stated that Figure 10 was "omitted" from the application.

The above holding is an error on the part of the PT0. As indicated on the filing receipt, a copy of which is enclosed, the Office has acknowledged receipt of ten (10) sheets of drawings. In fact, there are eleven (11) sheets of drawings in this case. Figure 10 constitutes the eleventh sheet. Attached is a copy of Figure 10.

Attached is a copy of a postcard receipt, stamped by the PT0, and indicating that eleven (11) sheets of drawings were received by the PT0 on October 9, 2003.

It is apparent that the sheet containing Figure 10 has been lost or misplaced by the Office.

Applicants therefore request that the PT0 acknowledge that the application included Figure 10 as of the filing date of October 9, 2003, and that the application was complete as filed.

Attached is a check for \$130.00, in payment of the petition fee. However, Applicants request that this amount be refunded, because the error was made by the PT0.

The undersigned also reminds the PT0 that the address of the undersigned has changed. A separate Change of Address notice, in this application, was mailed on December 17, 2003, and was received by the PT0 on December 23, 2003. Applicants request that further correspondence in this matter be directed to the undersigned at the address shown below.

Respectfully submitted,

William H. Eilberg
